Rycars Construction
503 Coleman Place
Kenner, LA 70062

Ref: Recommendation

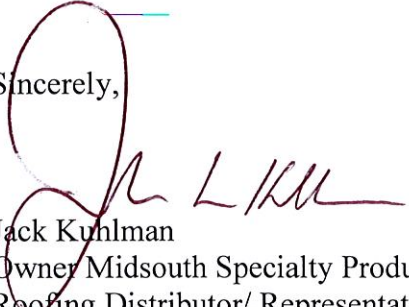

As the owner of Midsouth Specialty Products, a company that represents a variety of roofing products, I have been doing business with Rycars Construction for over 15 years.

I have always found Rycars to be:

- Professional in their approach to the roofing business.
- Honest.
- Responsive to important situations.
- Attentive to details.

Frankly, it has been an honor to deal with this company over the years.

Sincerely,

Jack Kuhlman
